Spotlight on Business

CIC's New Microloan Program

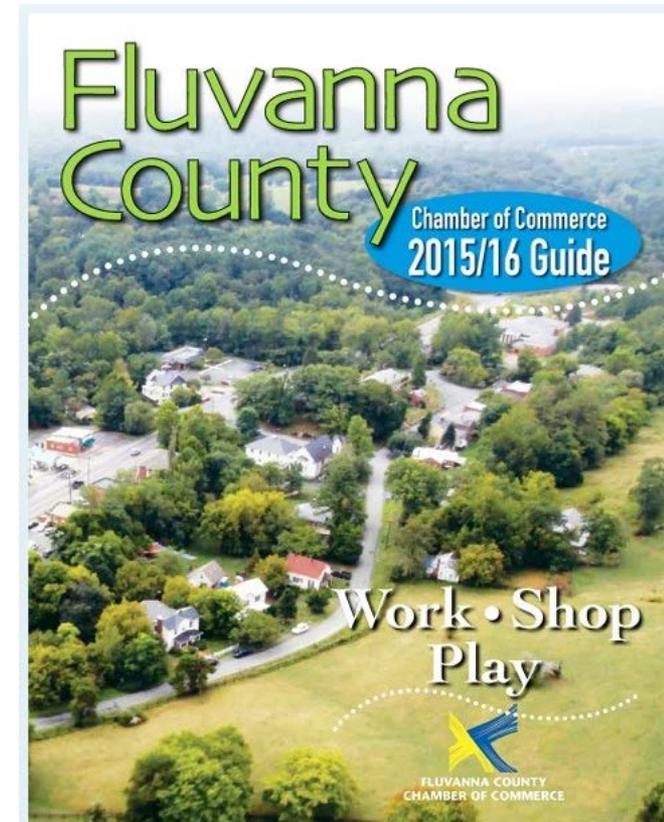

To better serve entrepreneurs seeking financing, CIC has made changes to the loan program:

- 1) They've removed the tiers on the loan program. Entrepreneurs may now seek **loans of up to \$35,000** to meet their business needs. Previously, first time borrowers were limited to \$5,000.
- 2) **Existing businesses are now eligible to apply for a CIC microloan** without completing our WIBO workshop if they can produce six months of financial statements and a business plan outlining their financing needs.
- 3) The interest rates have changed. The starting interest rate on microloans is 9.75% and discounted rates are available for those who have completed the WIBO workshop and for borrowers with qualified co-signers.
