## ***Fluvanna Business Community,***

***WE WANT TO HEAR FROM YOU!*** Fluvanna County is conducting a **Business Climate Survey** to seek your feedback. We hope to hear from all local business owners and managers, real estate professionals, developers, those with local business interests, and any others who do business in the county. We want to know how your business is doing, what are your business support needs, and how can we help.

This survey is being conducted in advance of a planned **Community Business Forum** to be held in Fluvanna this fall (Date/Location TBD). Data from the survey will be presented at the Forum, and will also be used to help create a local **Business Support Action Plan** in collaboration with local business leaders.
