# Announcements and Updates

- **How is your Internet Service?**
  - **RUOnlineVA** -- Virginia residents in need of Internet service are asked to reply to a very short information gathering survey. Responses will be aggregated, mapped, and shared with policy makers and the public to stimulate broadband policy and funding discussions throughout the remainder of the administration.
  - The survey will run through early August.
  - To participate, go online to [RUOnline.virginia.gov](http://RUOnline.virginia.gov) and answer a few simple questions regarding where they live and what level of connectivity they have.
  - If you are unable to access the website at home, you can visit your local library or you can call (877) 969-6685 (toll free) to participate.
