- **Library's Special Summer Reading Programs**

- June 13 - Under the Sea - 257 people attended and saw a small shark, crabs, lobsters, clams and more.
- June 20 - Larsen's World of Reptiles - 262 people attended and saw snakes, lizards and more!
- Also had weekly workshops and tours with the Master Naturalist's, Story Times, LEGO Builder Parties, Robotics Workshops and more.

- **We are having great fun and couldn't do it without our great volunteers and staff!**

Community and County Staff Recognitions

- Summer Reading Programs

- [Carbon-Core Corporation](#)

- **Business Contact: Jack Lugas**

- Carbon-Core is a manufacturing and engineering facility in Troy, Virginia making Plastic Honeycomb, PU/PIR Foam, PVC Foam, PE Foam, PET Foam, Fiber Reinforced Foam Board, Structural Foam-Filled Honeycomb that offers the best weight to mechanical properties ratio in the industry.
- Founded in 2013 with a mission to focus on innovative new technologies with best and most complete core materials selection in the industry. We have continuously challenged the traditional thought in core materials, and, succeeded, judging by the number of industry awards bestowed upon products incorporating our core materials technology.
- Carbon-Core Plastic Honeycomb technology has a wide range of use; from the hulls of mega-yachts in the Mediterranean Sea and passenger ferries in China, to snowboards on the slopes of the French Alps; from commercial housing projects in British Columbia and Telecommunication Shelters in Florida, to Public Transit Buses in California, from mobile generator container made in South Africa for the movie industry worldwide to boats in Brazil. We are proud to say, we have made it all possible.
- For more information, call 434-510-7115 or check out their website at [Carbon-Core Corporation](#).

Columbia Community Work Day

COLUMBIA COMMUNITY WORK DAY

SPONSORED BY THE CARE TASK FORCE

Saturday, August 4th
9:00 am to Noon
St. James Street, Columbia

Join members of the Columbia Area Renewal Effort (CARE) Task Force for a Community Work Day. We plan to work on general clean-up and trash removal along the Route 6 corridor and on the recently cleared parcels.

Help us uncover history!

Bring work gloves, shovels, rakes, etc. County will provide safety vests, trash bags, and other support items. For information, contact the County Administration Office at (434) 591-1910 or columbia@fluvannacounty.org
