# Announcements and Updates

- **NEEDED: Parent Representative to the Family Assessment and Planning Team (volunteer position)**
  - Family Assessment meets the first Tuesday of each month from 8:30 am – 12:30 pm. On occasion, meetings may run longer. Approximately twice per year, this team also meets the third Tuesday of the month.
  - Parent Representatives to the Family Assessment and planning Team provide the added value of bringing new ideas, from the perspective of parents, to the planning process. The unique perspective of parents can be a strong link to the success of communities in creating systems of care for children and adolescents with serious emotional and behavioral problems. Parents are valuable as supporters of other parents, and as integral members of policy and decision-making teams.
