A RESOLUTION DECLARING FLUVANNA COUNTY, VIRGINIA A SECOND  
AMENDMENT SANCTUARY

WHEREAS, Article I, section 13, of the Constitution of Virginia provides, "That a well regulated militia, composed of the body of the people, trained to arms, is the proper, natural, and safe defense of a free state, therefore, the right of the people to keep and bear arms shall not be infringed; that standing armies, in time of peace, should be avoided as dangerous to liberty; and that in all cases the military should be under strict subordination to, and governed by, the civil power;" and

WHEREAS, Article I, section 1, of the Constitution of Virginia reads, "That all men are by nature equally free and independent and have certain inherent rights, of which, when they enter into the state of society, they cannot, by any compact, deprive or divest their posterity; namely, the enjoyment of life and liberty, with the means of acquiring and possessing property, and pursuing and obtaining happiness and safety;" and

WHEREAS, Article I, section 2 of the Constitution of Virginia reads, "That all power is vested in, and consequently derived from, the people, that magistrates are their trustees and servants, and at all times amenable to them;" and

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of Fluvanna County Virginia, as follows:

That the Fluvanna County Board of Supervisors hereby expresses its intent to uphold, protect and defend the constitutional rights of the law-abiding citizens of Fluvanna County, Virginia, to keep and bear arms and its intent that public funds of the County not be used to infringe such rights of the citizens of Fluvanna County; and,

Please ensure that the rights of law-abiding citizens of this county are not further infringed upon. As is well known and quantitatively proven, laws only apply to the law-abiding and, in this case, any additional 2<sup>nd</sup> amendment regulation would only limit law-abiding citizens to defend themselves, hunt, sport and competitively shoot.

ADMINISTRATIVE CENTER

Since 2014 I have been a concealed carrier. I work in the Fork Union area at the grocery store. I've been robbed, followed to my vehicle, stalked and also harassed. My weapon on my hip doesn't justify me to use it however it gives me peace of mind when times become at their worst. My 2nd amendment means safety and reassurance to me. And im refusing to let anyone jeopardize that. None can put a price on my safety.

11/13/2019	steve cohen	<p>Hi,</p> <p>I just read that Campbell County Board of Supervisors, joining Carroll County, has voted unanimously to make Campbell county a 2nd Amendment Sanctuary County. I am hopeful that Fluvanna County follows suit and declares that we will also protect and defend the Constitution of the United States, and fight any efforts by our Mike Bloomberg owned governor to disarm the citizens of Fluvanna and Virginia.</p> <p><a href="https://www.newsadvance.com/news/local/campbell-supervisors-approve-legislative-agenda-second-amendment-rights-among-priorities/article_ba268cb8-26c8-5801-8fda-d05cfaa48ca4.html">https://www.newsadvance.com/news/local/campbell-supervisors-approve-legislative-agenda-second-amendment-rights-among-priorities/article_ba268cb8-26c8-5801-8fda-d05cfaa48ca4.html</a></p> <p>[SNIP]</p> <p>Brookneal District Supervisor Charlie Watts proposed a resolution to acknowledge the Campbell County Board of Supervisor's "deep commitment" to maintaining the rights of Campbell County citizens to keep and bear arms.</p> <p>In the resolution, he declared Campbell County a "Second Amendment sanctuary," and emphasized opposition to any infringement of Second Amendment rights.</p> <p>"It's my opinion that we adopt this and make it known where we stand as a board," Watts said.</p> <p>The resolution was approved unanimously.</p> <p>Respectfully,</p>

11/21/2019	James Wilmoth	<p>Due to the results of the recent election, Governor Northam and the democrat controlled house and senate have made it clear that their first priority is gun control. Aside from the fact that criminals don't obey laws, one in particular, so called Red Flag laws, violate due process as set forth in the constitution. Under these laws, you are guilty, stripped of your second amendment rights by confiscation, and they you must prove you are innocent after the fact. This is Virginia not Moscow. This is resonating throughout the commonwealth right now and many counties are adopting resolutions declaring themselves second amendment sanctuary counties. These counties will not enforce laws that are unconstitutional. I would like to propose that Fluvanna county adopt the</p>
11/22/2019	Kevin Maughan	<p>I have great concern about Senate Bill No. 16 which will infringe on our Second Amendment rights. I am a hunter, target shooter, and my family owns land in Fluvanna. I believe it is our constitutional right to bear arms and protect our families. I know a lot of counties are becoming 2nd Amendment Sanctuary Counties. Is Fluvanna going to pursue this? What is the Fluvanna sheriffs office take on enforcing the proposed confiscation of certain guns, magazines, etc. The problem is not the guns, it is mental health issues that are causing most of the problems. Criminals are going to continue getting guns and committing crimes.</p> <p>Regards,</p>

11/24/2019	Charles Wheaton	Please vote to make fluvanna a sanctuary for the 2nd amendment
11/24/2019	Kelly Kidd-Wheaton	To the Fluvanna County Board of Supervisors,  I am respectfully requesting your vote to make Fluvanna County a 2nd Amendment Sanctuary County. Per the Second Amendment, "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed." It is the Constitutional right of the people to bear arms and as our elected officials, I ask that you protect this right with your vote.  Respectfully, Kelly Kidd-Wheaton
11/24/2019	Justin Sorrels	Would like Fluvanna to be a 2nd Amendment sanctuary. To whom should I speak with is there a meeting I could attend? Thank You

11/24/2019	Bonnie Barnett	I believe we need a public vote on our county being a sanctuary county for our guns. I also believe that our children should be allowed to hunt with adult supervision. Don't let them take our rights away.

11/25/2019	Heather Mathews	I am in favor of making Fluvanna County a 2nd Amendment sanctuary county

11/25/2019	Karl Partner	<p>I am writing this letter on this venue to actively lend my sway in supporting Fluvanna County to join the growing number of VA counties in becoming a "Second Amendment Sanctuary County". I have looked into the pros and cons of this action and I firmly feel that we need this level of protection of our Second Amendment right here at this time. At the beginning of 2020, with the Democratic party holding majority in all three branches of the state government, our Governor Northam has made it very clear that he will now ram more and excessive gun control down the throats of those law abiding citizens that "Keep and Bear Arms" here in the Commonwealth of Virginia.</p> <p>If you look at the recent final tally of votes submitted in Fluvanna County for our local and District Representatives, the Majority that were voted in are of a Conservative sway, that received high marks for their Pro-stand on firearm ownership. This having been stated, it is our collective need and right to request this level of attention to the Fluvanna County BOS. I would like to see this placed for a county wide vote; What ever that takes. There are Many Registered Voters within every BOS Representatives districts that are law abiding Gun Owners that regularly hunt large and small game, and also are members of local hunting / gun clubs that promote regular target shooting, to hone their skills with a firearm.</p> <p>I will be sharing this with all those I know here in the county.</p> <p>Thank you for your time, service and attention to this upcoming issue.</p> <p>Very Respectively I remain,</p> <p>Karl T Partner 27 Bridlewood drive,</p>
11/25/2019	Judith Runion	<p>A number of Va counties have addressed gun rights sanctuary status as more Democratic based gun focus is attempting to restrict a citizens ability to have weapons that do not meet certain restrictions. As a citizen of Fluvanna ,I live in a rural section, 1/4 mile from the nearest secondary road. At 4 am one morning a time back, our alarm went off , it system showed it was triggered from the basement door. We have no idea if access was attempted or if it was weather related- I would hate to think , if it had been an attempted break in what the outcome would have been if we had not had the ability to defend ourselves. We are also 9 miles from the only sheriffs office . Thanks the foresight of our Founders, we have a 2nd ammendment so the citizens can protect themselves. I do hope that this current movement of restricting a citizens right to be armed does NOT take root in Fluvanna Co.'s agenda</p>

11/26/2019	Matthew Kidd	<p>Good day. I am contacting each of you today concerning the recent statements from Richmond and the incoming legislations plans to infringe on Our Constitutional Rights. Adopting the 2nd Amendment Resolution for The County Of Fluvanna as have several other County's throughout Virginia in which the number grows on a daily basis will ensure that those who seek to pass UnConstitutional laws and infringe on Our Rights will not take place. 11/26/2019	Glenna Tilman	<p>I would like to see Fluvanna County announce that it supports the Second Amendment rights of its citizens by voting for, and becoming a sanctuary for the second amendment granted to us in the Bill of Rights.</p> <p>Don't ever think that the confiscation of guns could not start another Civil War!</p>

11/29/2019	Anthony Ricciotti	I live at 51 Woodlawn Dr Palmyra. I moved here just over a year ago and am appalled at the recent state election which apparently will result in a serious degradation of each Citizen's 2nd Amendment rights. I have served our great nation since 1985 as a member of the US Air Force, Government Contractor and now additionally as the dependent spouse of an Active Duty Sailor. My father is now retired, but he spend approximately 20 years as a Police Officer (Patrolman and Chief of Police) as well as served in the US Air Force himself and owned a Gun Store in Massachusetts for over 15 years. Needless to say, I know the good and bad that can come from firearms. I, unfortunately, due to work will be unable to attend the BOD meeting on the 4th of December to voice my support for what has been stated as a discussion on declaring Fluvanna a 2nd Amendment Sanctuary County. Therefore, I am sending this to voice my complete support in such a declaration and hope that the Board agrees. Our rights are under attack from the extreme left and we, as a community must do what is necessary to protect our Citizens from this onslaught.
11/29/2019	Sam Carannante	I believe in and abide by the Constitution of the United States of America . I feel that my 2nd Amendment rights granted me by our Constitution is being threatened by the powers that be in Richmond . I urgently request you to pass a resolution making Fluvanna County a 2nd Amendment sanctuary County. Thank you .
12/3/2019	Barbara VornDick	I am concerned about the growing attempt to abolish our Second Amendment rights in Virginia. Other counties are quickly passing resolutions to become "sanctuary cities" where gun control laws will not be tolerated so that Americans can remain free to defend themselves as provided for in the Constitution. I would like to see Fluvanna County take a stand in support of the Second Amendment and REJECT unconstitutional gun control regulations, red flag regulations, and any other efforts to disarm the populace unjustly.
12/4/2019	Cindy Girard	<p>Good afternoon,</p> <p>I'd first like to thank all of you for the work that you do, I do recognize that it cannot be easy.</p> <p>I realize you are likely to have a large audience later today asking that you make Fluvanna a 2nd Amendment Sanctuary City. To be honest, I don't feel comfortable being there in person with so many people, especially those that are rabidly defending their right to "bear arms."</p> <p>And that statement alone should tell you where I stand on that issue. I respectfully ask you NOT to make Fluvanna a 2nd Amendment Sanctuary City. Anyone who does not want gun restrictions passed should write or talk to their representatives on each bill - we should not be making a blanket statement saying all gun laws are bad and our police force won't be enforcing them.</p> <p>Also, I've read the text of the 2nd Amendment, and I've read multiple opinions on it. Nowhere does it say that any individual can have whatever and however many weapons they wish.</p> <p>Thank you, Cindy Girard</p>

12/4/2019	Mallory Wentz	I feel as if Fluvanna County should be a Second Amendment sanctuary to protect gun rights. We should all come together as FLUCOS and stand up against the government that is attempting to take our guns. Since I was a kid, I have been a citizen of Fluvanna County since birth and I feel as if guns and hunting should always be part of this rural county. I couldn't imagine the Fluvanna community without our 2nd Amendment rights and we need to stand up for this, as a community.
12/4/2019	Brad Wiley	Fluvanna county should be a second amendment sanctuary because It is my constitutional right to bear arms to protect myself against enemy's foreign and domestic. To protect myself, my family and my property. I am a law abiding citizen and refuse to allow my right to bear arms to be tampered with. SHALL NOT BE INFRINGED.
12/4/2019	Tye wentz	I feel like Fluvanna county should stand up for becoming a 2nd amendment sanctuary.
12/4/2019	Megan Van Tol	I believe we should make Fluvanna county a 2nd amendment sanctuary.
12/5/2019	Richard Loving	Voting on making county a 2A sanctuary
12/5/2019	Michael Lenherr	Pass the second amendment resolution, don't allow the the citizens to become felons because of their choice of defense. Uphold the 2nd amendment. Thank you
12/5/2019	Taylor Haislip	I would like to support the second Amendment by wanting our County to be come a sanctuary for guns.
12/5/2019	Megan Couch	I am in strong favor of making Fluvanna County a 2nd Amendment Sanctuary.
12/5/2019	Stacie Jakubec Fraser	I am an active voting constituent of the Fork Union District. Please remember when mulling over the topic of our Second Amendment and your vote next Wednesday:  The Second Amendment does not GRANT us the RIGHT to bear arms; the Second Amendment denies the Government the authority to infringe upon our RIGHT to BEAR ARMS.  This is a non partisan issue and I would hope that you all would treat it as such. I know at least two of you will 'follow party lines' but this is a Constitutional issue and towing the party line in this instance is not appropriate. Thank you for your time.
12/5/2019	Roger Ward	Our County, The People are looking for the Board of Supervisors, to Vote for the County to be a 2A Sanctuary! Protect the Heritage of the United States and our 2nd Amendment of the Constitution. Also the meeting should be held in the high school or middle school Gymnasiums, Iam sure that it is going to be a bigger crowd than last night!
12/5/2019	James Bradley	I am a Fluvanna County resident, and I DO NOT support the "2nd Amendment Sanctuary" .
12/5/2019	Kevin Milas	I strongly oppose the proposal for the County not to enforce gun laws (so-called Sanctuary). BTW I also oppose illegal immigrant "sanctuary." Law enforcement should not have the discretion to decide what laws they like and will enforce and which laws they don't like and won't enforce.
12/5/2019	Janna Gutrick	Hello, With all the excitement about Fluvanna becoming a 2nd Amendment Sanctuary, I'd like my position to be known also. I feel that more gun control would keep our children safer in the schools and all the people that are against gun control are only concerned with themselves and not seeing the greater good of the law that is changing. Please don't believe everyone is against gun control just because you get a large turnout at the counsel meetings. Many of us work and cannot attend but do believe that laws will be placed for a reason and they should be followed. Thanks for reading my message.

12/5/2019	Loraine Huemmer	I support sanctuary status for second amendment because any law by a state to interfere with this ammendmebt is unconstitutional.
12/5/2019	Gary Sellick	<p>To the Board of Supervisors</p> <p>I am a member of the FLDP class of 2020 and was scheduled to attend the meeting of the board yesterday. Unfortunately, due to unannounced pro-gun rally that took over the meeting, I was unable to gain access to the courthouse to make my comments on the proposed resolution to make Fluvanna a "sanctuary" for guns. I will be unable to make the meeting next week and so have attached my comments below. I hope you will have time to read them (FYI, an abbreviated version has been sent for publication in the Fluvanna Review):</p> <p>Gun owners often cite the second amendment as the reason why they advocate loose control of their weapons. I would ask all those that are in favor of this resolution to take a close look at both the Federal and Virginia constitutions. Both do allow for the right to bear arms, for sure. However, what neither constitutions do is to provide for local governments to ignore or circumvent laws passed by the legislatures of these higher bodies. . Yet the resolution to make Fluvanna a "sanctuary" for gun owners does just that, and in this case would be passed before any laws restricting gun ownership are even debated in the legislature.</p> <p>The county passing this resolution would set a bad, perhaps even dangerous, precedent relating to legal rulings made by state and federal legislators. If this resolution was to pass, what would stop other laws being challenged in this locality, perhaps on other controversial topics such as abortion rights, gay marriage, or drug use? Opening this Pandora's box on a matter of undefined importance is at best risky, and at worst reckless. The role of local government is primarily to run essential services and amenities in a locality, not to reinterpret, re-legislate or circumvent the law of the land.</p> <p>From a financial perspective, Fluvanna is just beginning to grow the infrastructure needed to allow for commercial growth, and new housing projects being constructed in the north-west of the county are hoping to entice new residents. While Louisa and Goochland have passed these</p>
12/5/2019	Kevin Ward	The 2nd Amendment has been a big roll for my family and friends. The right to bare arms is a big ideal for our community. They shouldn't now <u>take our 2nd amendment away!!</u>
12/5/2019	Tracy Bryant	<p>Hi, I would like to show my support for Fluvanna to be a 2A sanctuary. Living in a rural area there are many people who hunt and target shoot with legally obtained weapons who will be adversely affected by the new law should it pass. People who legally purchased and registered their guns should not be turned into felons over night.</p> <p>Thank you Tracy Bryant 143 Jefferson Drive Palmyra VA 22963</p>

12/5/2019	Charles Hoffman	<p>Good Afternoon,</p> <p>First let me say thank you for reading my comments. Second, let me tell you a little about myself: a have been a public education teacher for the past 20 years. I also hold four degrees: B.A. English, B.S. Secondary Ed., and M.Ed. English, M.Ed. Admin and Supervision. That being said, I am also an ardent supporter of the 2nd Amendment. It is obvious the majority of the residents of Fluvanna County wish to make the county a 2nd Amendment Sanctuary. I realize this is a symbolic gesture only, so it is my hope that the Board will adhere to the wishes of its constituents. Thank you for your time and consideration.</p>
12/5/2019	Ginger Clare	<p>Thank you for moving the conversation on 2nd amendment sanctuary to a later time and not making a rushed and forced vote at the meeting earlier this week. It gives people an opportunity to learn more and express their opinions.</p> <p>One thing I would like to ask - please make sure you are listening to Fluvanna residents and your constituents only. This is obviously a movement for many and I am sure you are hearing from and will see turn out of people from all over the state. Their opinions should not have any factor in what happens in our county.</p> <p>I strongly feel we should not adopt this language of becoming a second amendment sanctuary. It's meaningless legally and could even set us up for lawsuits. It also sets a terrible standard. We are a country of voting and laws and should respect that process.</p>

12/5/2019	Barbara O'Brien	<p>It is my most profound and sincere hope that the Board of Supervisors is intelligent and pro-active enough to resist the outside influence and attempt to control our Virginia government from the NRA and NOT vote to declare Fluvanna County a bogus, pointless 'Second Amendment Sanctuary'.</p> <p>The Democrats are not trying to take your guns away! We simply want realistic and time sensitive background checks and more control over the most dangerous, aggressive and harmful automatic and semi automatic weapons.</p> <p>We don't want to stop you from teaching your grandchildren your hobby of shooting things in the woods, hunting with them or passing your firearms down to that when you die. Quit being so ridiculous and overly dramatic and try thinking for yourself instead of knee-jerk reacting to every bit of propaganda fed to you by the NRA.</p>

12/5/2019	Lynne White	Dear Board Members, As an owner of multiple guns from a hunting family, I urge you to NOT support Fluvanna County being a second amendment sanctuary at this time. I feel this is totally a political ploy and opposes our nation of laws. I have many other reasons why we should not do this. but will leave it for your most cautious consideration.
12/5/2019	James Morris	I live in Troy and am asking that the supervisors vote yes to make Fluvanna a 2A sanctuary county. I was at the meeting and emailed each board member about it also. Please do the right thing for your citizens. I thank you all and God bless
12/5/2019	Wayne White	I oppose the 2nd amendment sanctuary county status.
12/6/2019	Marion Lamb	Please, don't succumb to the fear and misinformation that gun-owner Sanctuary County supporters are spreading. My family are gun owners, but fully support gun control reform. Gun violence is the US is a public health crisis, especially among young people. Please, lets enact common sense gun laws!
12/6/2019	Tricia Callahan	I oppose the concept of 'sanctuary cities' and support retaining the second amendment as currently written. Please do not change either...
12/6/2019	Caroline Brooks	I do not support the idea of our county becoming a 2nd amendment sanctuary county. Reasonable restrictions and regulation of firearms has been upheld by the supreme court as not infringing on the 2nd amendment. If people have concerns about current proposed legislation they should lobby our lawmakers in Richmond to amend the legislation before it is passed and signed into law. Once it becomes law, it is the county's obligation to abide by and uphold the law
12/6/2019	Kathleen Swenson Miller	This request for a 2nd amendment sanctuary is the result of some media . . . fanning flames of fear.
12/6/2019	Kathleen Swenson Miller	Before considering passing a 2nd Amendment Sanctuary resolution, you may want to consider the potential impact on Fluvanna's future economic development. If you haven't already seen this report, please take a look. <a href="https://freeenterpriseforum.wordpress.com/2019/12/05/revenue-report-">https://freeenterpriseforum.wordpress.com/2019/12/05/revenue-report-</a>
12/6/2019	Deborah Murdock	I ask that you do not support the gun resolution. The state laws take precedence.
12/6/2019	Tom King	I oppose the current effort to stampeed you and county residents into declaring Fluvanna a "2nd Amendment Sanctuary" county. America doesn't need no-gun-restriction "sanctuary" counties any more than we need illegal immigration sanctuary cities. What we need is general understanding of majority rule (it cuts both ways) and adherence to rule of law. The only beneficiaries of this current hysterical propoganda wave are weapons manufacturers and foreign enemies who are spewing tons of false "information" on our social media to weaken our national security by dividing Americans from each other over spurious issues like "the government is going to take away our guns". How many times have we heard that one before?  Legislators are free to propose all sorts of bills that reflect extremist positions, but I do not believe our Commonwealth legislature will ultimately pass laws to confiscate our guns, which I and many other Virginians would actively oppose. I do, however, hope they seriously consider legislation to implement reasonable regulations such as red flag provisions to prohibit sales to mentally unstable individuals (as determined by courts) and restrict private possession of weapon-related articles such as military style body armor and large capacity magazines that endanger our police (and citizens). Thank you for listening. Tom King 13 Wisteria Way

12/6/2019	William Davis	<p>There are at least two good reasons not to adopt the proposed gun sanctuary resolution.</p> <p>One: There are already too many firearms in the hands of private citizens who may not properly understand issues of safety and responsible gun ownership. An armed citizenry needs to be "well regulated" as the Constitution suggests. If people are so frightened of their neighbors that they require weapons to feel secure, they should have to go through a vetting process at least as serious as getting a driver's license.</p> <p>Two: If a state legislature passes laws that, for the protection of children and others, bans the sale or private ownership of lethal military weapons such as machine guns, the gun sanctuary resolution seems to encourage localities to disobey and not enforce such legislation. We must have faith</p>
12/6/2019	PAUL SEEHAVER	<p>Fluvanna County needs to be a law abiding county that follows the proper laws set by the state and federal government. Please vote AGAINST making the county a "gun sanctuary". WE ARE BETTER THAN THAT. Please do not succumb to the noise you hear about the Second Amendment - the proposed legislation does nothing to impinge the rights afforded under any part of the Constitution.</p> <p>Thank you.</p> <p><i>Paul Seehaver, resident of Fluvanna County</i></p>
12/6/2019	PHYLLIS MONTELLESE	<p>I am a family physician married to a gun owner and hunter. There is nothing about regulations proposed for limiting access to guns by criminals or others with a history of violence (physical and verbal) that will affect gun ownership by responsible gun owners.</p> <p>I feel very strongly that to make Fluvanna a "gun sanctuary" is to cave to an NRA campaign.</p> <p>A stolen gun SHOULD be reported. Background checks, in these times of computer technology should be universal and in every venue for sales.</p> <p>Fluvanna should not be an exception.</p> <p>We voted to change the leadership in our state Legislature. Do not work to attempt to preempt any laws that arise from this.</p>
12/6/2019	Rebecca Pobocik	<p>Dear Board of Supervisor Members,</p> <p>I am writing about the proposal to have Fluvanna become a 2A Sanctuary County. I am very much opposed to this proposal.</p> <p>It is especially sad today since this morning (Dec. 6) I am hearing about two more mass shootings in our country. I would feel very uncomfortable living in a community that resists following new laws aimed at making our community safer. Please oppose the adoption of the 2A Sanctuary proposal.</p> <p>Sincerely, Rebecca Pobocik</p>
12/6/2019	Kathryn Peters-Rodbell	<p>This 2nd amendment sanctuary stuff nonsense. I'm one of the many who do NOT love guns. I'd like to see more regulations in that area, not fewer. I don't want Fluvanna County to be a gun sanctuary.</p>

12/6/2019	Sharon McLaughlin	Let's be real. We need some common sense gun reform. It takes 38 states to repeal an amendment. The second amendment IS NOT in jeopardy. Sadly, lots of inflammatory "information" is being sent out by NRA and some gun groups which is not even the truth. While today "alternative facts" are not uncommon, it still makes sense that guns shouldn't be sold to people who have criminal records, a history of mental illness nor do we need military type guns being sold. I am a gun owner and even have a concealed gun permit but I would like to think that rationale thinking is still being considered when we discuss weapons that can take someone's life. Our children shouldn't need to be learning about what to do if a person enters their schools with ill intent. As elected officials, we count on your good sense in lieu of people who are being riled up that they are just steps away from taking away their second amendment. Let's use some good judgement to keep everyone
12/6/2019	Carolynne Hagan	I do not understand how an illegal action has taken off as a form of protest. Local law enforcement doesn't get to decide what is constitutional. It is irresponsible for local government to perpetuate the concept of sanctuary localities. The place to voice concerns about <u>potential gun control laws is with our state representatives.</u>
12/6/2019	Carter Harris	I ask that you vote NO on the proposal to establish Fluvanna as a sanctuary city.
12/6/2019	Sharon Harris	Vote NO on the second amendment sanctuary proposal!
12/6/2019	Eileen Milas	I am deeply concerned and want to express my opposition to Fluvanna County becoming a Sanctuary County for the 2nd Amendment. Law enforcement officials should never decline to enforce the laws or in this <u>case possible laws. The Rule of Law must never be undermined.</u>
12/7/2019	Jessica Harris	I ask that you vote NO to establishing Fluvanna as a second amendment sanctuary. Doing so would prove ineffective, would undermine our democracy, would result in an expensive legal battle, and would <u>jeopardize economic development in the county.</u>
12/7/2019	Colin Hunter	Subject Sanctuary Proposal  The (draft) proposal is not legally binding as the County is bound to state law (Dillon Rule). It has unconstitutional language including use of tax funds for political support of issues in the future, is vague over drawn. Secondly, it propose ignoring legislation passed by the state and approved by state court as constitutional. This is lawless. Third it asks that each of the county officials ignore their oath of office. This is dishonorable. It also burdens office holders to choose an illegal path, resign, and reject the rule of law. Support of the subject resolution would show lack of respect and support for professionals in all fields who serve this county. Support the rule of law and the honor of the citizens <u>and employees of the county by rejecting this proposal.</u>
12/7/2019	Kathryn Hunter	I am writing in opposition to the proposal to declare Fluvanna County a 2nd Amendment Sanctuary. This proposal is ill conceived and in my opinion, unconstitutional. County officials, most especially law enforcement, have sworn oaths to support the Constitution of the United States and the State of Virginia. They cannot selectively decide which <u>laws to enforce. Please vote against this ill conceived and illegal effort.</u>
12/7/2019	Kyle J Rosemann	I support the 2A and believe our county should be a sanctuary county for this import 2A topic

12/8/2019	Susan Wolff	I live at 7 Dover Ct. at Lake Monticello. I am someone that has been personally intimidated by open carry guns that were shown to me specifically to make me feel threatened. However, I understand the right to carry guns. I am a Democrat, but would never vote to take everyone's guns away. But I believe the kinds of automatic weapons used in mass shootings do need further examination and study. But the resolution in question is ridiculous. It doesn't do anything but spit in the faces of people like me. It's just another intimidation tactic. It doesn't reflect the opinion of Fluvanna County as a whole. Please don't fall for it. <del>It accomplishes nothing. Spend your time on more important issues!</del>
12/8/2019	Christopher Heberling	I am writing in support of Fluvanna County becoming a 2nd Amendment Sanctuary. The right of the people to defend themselves should be free of further infringement. Proposed state legislation would be in direct violation of the US Constitution and the Virginia Constitution. Also, the ability of citizens to use commonly owned firearms to hunt and teach firearms safety would be jeopardized. I would like the leadership of Fluvanna County to send a message to Richmond that the rights of rural communities are tired of being marginalized. The direction of Virginia should not be dictated by a few urban centers that propose sweeping legislation that would have no positive impact on gun violence in this country.
12/8/2019	Alyssa Sellick	I am a resident of Fluvanna County, and have major concerns about the proposed 2nd amendment sanctuary bill being debated on Wednesday. I do not feel it should be debated, let alone passed, for the reasons
12/9/2019	Barbara Gibbons	<p>Thank you for serving our community. I would like you to know that I am OPPOSED to Fluvanna declaring itself a sanctuary. Here are my reasons:</p> <ol style="list-style-type: none"> <li>1. We are feeding into the NRA rhetoric</li> <li>2. There is no real, only imagined value to this action. The state police can still come in and take guns away if that became law. People may actually think it is okay to shoot state police if they were collecting assault weapons (which they currently are not doing).</li> <li>3. No citizen needs an assault weapon, it is not for hunting.</li> <li>4. Gun control is not a gun ban.</li> </ol> <p>In my opinion, it would be better for the county to make a statement, more in line with:</p> <p>The citizens of Fluvanna County support the second amendment, and the right to legally bear arms. We believe in the rule of law. Laws that address how one may obtain and store guns and ammunition, are abiding laws for all citizens.</p> <p>As laws are not made on the county level, our citizens should be encouraged to contact their state representatives with their opinions.</p>
