******* PLEASE BE ADVISED OF RATE CHANGE, EFFECTIVE JULY 1, 2024 *******

June 21, 2024

Dear Utility Customer,

On June 20, 2024 Board of Supervisors approved the rate increase for the Fork Union Sanitary District Water Rates and Charges, which means that rates and charges are increasing from \$21.00 to \$24.00 dollars a month for the first 2,000 gallons minimum charge. For each additional 1,000 gallons after the first 2,000 gallons the rate will increase from \$11.00 to \$11.22. These rate changes will take effect on your August water bill.

Please note that the last rate increase was in July of 2014. All proceeds from your water usage and patronage are used solely for the operation and maintenance of the Fork Union Sanitary District system.

If you need any further information contact our office at 434-842-5310.

Sincerely,

Bobby Popowicz
