DOG OBEDIENCE TRAINING

About the Instructor:

Upon graduating from UVA, Ashleigh Morris looked to the dog world for a career path. Her natural ability with dogs led her to also pursue a career in dog training. Studying under an Animal Behavior Consultant, Ashleigh learned a variety of skills to help others solve their dog's behavior problems. She also learned to train dogs and humans in the basic skills needed to enhance the human - animal bond. Ashleigh has been training on her own since 2005 and continues to expand her knowledge and education in order to help people mold their dogs into the perfect companion. She uses positive reinforcement methods. Contact Ashleigh at (434) 589 -7209 or aymorris@hotmail.com with any questions.

DOG TRAINING CLINICS

Dates and Times Below / \$30 / Dog Spot @ Fluvanna Community Center

Training clinics are designed to help people learn how to teach basic skills to their dogs. Clinic I is a prerequisite to taking Clinic II, Clinic III & IV unless you have trained with Ashleigh previously. You can choose which clinics you attend, or attend all of them.

Clinic I: May 11 Thursday 10 - 11am

- **WITHOUT DOGS** - no you didn't read that wrong. This Clinic is designed so that the 2-legged students can get up to speed on positive reinforcement and how to use it to meet your training goals. Since you are your dog's primary trainer it is a must for you to understand how to communicate with them to help them grow into the canine companion that you want them to be.

Clinic II: June 13 Tuesday 3:30 - 4:30pm

- Look, sit, come, stay and wait. (Perfect for teaching the dogs not to dash out the door.)

Clinic III: July 11 Tuesday 3:30 - 4:30pm

- Look, sit, come, down and settle.
(Ideal for having the dogs chill while company is over.)

Clinic IV: August 15 Tuesday 10 - 11am

- Look, sit, come, leave it and drop it. (A must if the dog snags an item they shouldn't have!)
